

2018 SPECIAL EVENTS @ CECBR

July 4th Fireworks Extravaganza!

We're adding some pizzazz to an Equinunk and Blue Ridge staple as we close Red, White, and Blue day with an impressive Fireworks Display down at Union Lake. A special evening of music and lights to celebrate our Independence!

Michael Dubois & Solo Circus

The Solo Circus is a fast pace, audience interactive and technical skills variety show featuring an all-original presentation of Magic, Juggling, Circus & Sideshow Stunts all wrapped in a blanket of Comedy. We're excited to have Michael back with us at CECBR!

Hypnotist Brad Henderson

A CECBR favorite, Brad Henderson returns for another spellbinding performance with his amazing demonstrations of ESP, and with his hilarious use of hypnosis on our counselors. With his magnetic personality and sharp sense of wit, you won't know where the time went. He'll boggle your brain making you wonder, "How on earth does he do that?"

Square Dancing With Sue & Lou

Back by popular demand - it's Sue & Lou Flago! Each year they bring an event that brings back great memories from the previous year and anticipation for the coming summer. Sue and Lou teach the dance moves and make the "calls" for our campers and staff! Yee-Haw!

Carnival

Exciting games, inflatables, and carnival treats are spread across CE's Front Campus on this festive day. With hot dogs, cotton candy, popcorn, and snow cones in hand, campers walk from booth to booth playing games. Don't forget to dunk your favorite counselor into the dunk tank.

Disco and Cabaret

A long-standing tradition at CECBR, campers truly look forward to these great nights of music and dance. Don't forget to bring your dancing shoes!!!

Red, White, Blue Day

CE and CBR separately commemorate our country's independence celebration with a day of friendly competition among the teams representing our colors. We'll finish the day with an all American cook-out BBQ and an evening of fireworks at the lake.

Olympics

Olympics - Equinunk and Blue Ridge come together for the famous EBR Olympics! The camp is broken into coed teams as they travel across the CE and CBR campuses participating in various challenges to earn points! Not only is this a terrific special event but a great time for siblings, cousins, and friends to be together!

Marty Gelobter Games (CE)

This day is set aside to honor the man who put so much love, energy, and effort into making Camp Equinunk what it is today. Marty always wanted the men of CE to compete as hard as they could, but never forget that sportsmanship and friendship are top priorities.

Sports Day (CBR)

On this day, CBR is split into colleges and university teams for activities played with mixed ages. If you're in Lower Camp, you'll play games such as BBK and water balloon volleyball. In Upper Camp, it's trashball and water polo. Score as many points as you can - your team holds onto each point they score, giving every single camper a chance to contribute.

Blue Ridge Sing

The spotlight will shine on each age group as they perform on Sing Night. The heart and soul of our camp is in singing. There's not a Blue Ridge camper or counselor that doesn't look forward to this special tradition each year. At Sing, new songs become a part of our history, and old songs continue to be passed down from generation to generation. This exciting evening truly is one of our most anticipated events, and we know this summer, it will be as special as ever!

Simon Sez, Steve Max!

Everyone's favorite game is back and better than ever with Steve Max the "Simon Sez Guy" who is returning for his 15th summer at Equinunk and Blue Ridge.
