

# THE LINEUP

OCTOBER 2020

## EBRConnects

'EBR Connects' is a series of regionalized small, outdoor events in areas where many of our families live to keep us connected to one another before Summer 2021. Our currently enrolled families can look forward to a variety of interactive activities that will allow for outdoor fun and togetherness such as ice skating, snow tubing, golfing, and adventure climbing. Come to all of the events, come to just a few, or just enjoy the photos from home depending on your comfort level.

Our first 'EBR Connects' event will be held at Boundless Adventures in Purchase, NY on October 31st from 9:45AM- 12PM. Specific information regarding this event has been sent in a previous email.

Other locations we are planning 'EBR Connects' events are Long Island, New Jersey, Philadelphia, New York City and even an upstate tubing trip.

## Got Pumpkins?

The CECBR Pumpkin Carving Challenge is now in full effect!

Let's see your creative pumpkin carvings done in the spirit of camp. Bonus points for pumpkins with Lori and Gil's faces on them. Tag us @equinunk-blueridge in your photos and have fun!

## CECBR Masks for Sale!

We still have our custom masks for sale online!

**\$15 each**  
(including shipping)

Be sure to check them out!

## Fall Foliage 2020

2020 is the year of the pivot so in a slight twist in tradition, Camps Equinunk and Blue Ridge hosted our Fall Foliage event on Saturday, September 26th and we offered not one, but two sessions of the event. Even though this year's event was earlier than previous years, fall was definitely in the air. The autumn colors were popping as the sun sparkled off of beautiful Union Lake.

Fall Foliage 2020 offered another chance for families to come up and enjoy camp! Those who attended got to explore our pumpkin patch, go on a hayride, get temporary tattoos and zip down the zipline. Cider and apples from Ritter's Mill and coffee from Moka Origins were a big hit, in addition to our classic EBR BBQ. We even had a traditional campfire in our evening session, where everyone was able to make a signature EBR S'more.

Thank you to everyone who attended and a special thank you to those who contributed to our Food Drive and/or bought an EBR mask in support of SCOPE. Thanks to you, Equinunk and Blue Ridge are able to continue the tradition of giving back to both the Wayne County and Camping Communities.

## NEW ASSISTANT DIRECTOR Jordan Chaney

It is with great pleasure that we would like to congratulate Jordan Chaney as Equinunk's new Assistant Director.

Following the very long awaited and exciting news of his Green Card approval, and 4 successful years working full-time with EBR, we are thrilled to welcome Jordan into his new role. In addition to his long standing CE staffing responsibilities, Jordan will be working even more closely with Eric and Adam in preparing and caring for our Equinunk campers.

Born and raised in Oxford, England, Jordan's camp journey began back in 2012 when he joined Camp Equinunk as a General Counselor. Now soon to begin his 8th Summer with EBR, Jordan has progressed and developed as a Group Head, Assistant Head Counselor and Staffing Director within the organization.

Graduating with a bachelor's degree in Sports Psychology and Coaching Sciences at Bournemouth University in England, Jordan has always been heavily involved in youth development through Sports Coaching and extra-curricular activities. He is excited to continue to grow his knowledge and further his impact within the camp industry. Currently, Jordan serves on the American Camp Association "Emerging Professionals in Camping" committee, helping to support and network the next generation of summer camp professionals.

Please join us in congratulating Jordan on his new role and wishing him continued success within the EBR family!
