The love for Camps Equinunk and Blue Ridge was radiating during the month of February. Our Upper Camp age groups gathered around the virtual campfire with the CECBR team for a virtual Hangout. It was a fantastic time on Zoom catching up with everyone, reminiscing on camp memories, and talking about Summer 2021. There were some wonderful Word Clouds, Camp Cast videos, and photos shared during this special time together. The campfire will continue burning next week for the upcoming Lower Camp Group Hangouts.
