Last month we ran a March Madness style event where everyone got to pick their favorite camp activities and see how they stack up against other popular choices. Just like in NCAA March Madness, there were a ton of upsets and surprises! We had #13 Tennis and #6 Socials making a “cinderella-esq” run to the Final Four only to run into the powerhouses or “Blue Bloods” of #1 Swimming in the Lake and #2 Singing/Cheering. After a week of voting and close calls it was the #1 seed of Swimming in the Lake that got to “cut down the nets.” Similar to March Madness, we made our own “One Shining Moment” video of Chay and Chuck receiving the news that their program area had won!

We hope everyone had as much fun as we did following along with our bracket as well as the Men’s and Women’s NCAA tournaments!

BRACKETOLOGY by Dave Asseoff, Equinunk Grouphead

I always get excited about ‘March Madness’ as it reminds me that Camp is just around the corner! Predicting winners in our ‘NCAA Bracket’ is fun, but not as exciting as partaking in CE Bracketology! This Upper Inter tradition creates some friendly 1:1 competition in Foul Shooting, Wiffleball, Dodgeball and other special events. Winners advance after each round with a chance to participate in their own ‘Final Four’, while everyone else continues to follow and cheer on their own bracket by predicting the eventual Bracketology champion! Bracketology finalists are certainly motivated in their pursuit of excellence, but the free NewCo sandwiches are a nice bonus as well!

Speaking of basketball, although still in the distance, can you start to hear the beautiful rhythm of several balls bouncing on the outdoor courts? Although a squint, can you see our PCs and Upper Seniors sprinting through personalized paper banners and dashing onto the court for their final Color War basketball game? Do you feel the anticipation and excitement of experiencing the new CE Social Hall for the first time? And then making your first shot (with many more to come) during free play or your group’s hoops period?

Spring is here—Summer is right around the corner and I can’t wait to see everyone very soon!
